NEW BUSINESS

The calendar of events was set for 2010 and reads as follows:

- Monthly meetings are held the second Friday of the month.
- April 24 Clean up day at the flying field. In the event of inclement weather, it will be held the following day.
- May 1 Project day and swap meet to be held at Jim and Becky Cartwright's. There will be a pot luck at noon.
- May 6 First training night.
- Aug 6 – 8.....Don Bailey camp fly. There is room to accommodate campers. A pot luck is to be held. More details to follow.
- June 10 The community parade. Plans are to pursue entering a Flying Tigers float.
- June 13..... Fly- in pancake breakfast. The club intends to display planes.
- June 13 Come fly with us event 1:00 pm at the flying field. Greg and Lauren Anselment will deal with the food. Larry Carlson volunteered to bring a grill.
- August There is a fly- in in Milaca that the club may consider.
- Sept 17- 19.... The Carlson camp fly.
- Other thoughts.... Since we have no set policy, it was decided that a donation bucket be passed around at each camp fly.

If you wish to fly on any particular days, call your buddies on the list and arrange it. Regarding the shelter, once plans are completed, donations of cash or materials will be solicited. Larry Carlson has some roofing materials to donate. Bruce Fredler has prepared plans. It appears fees for the portable toilet and the club charter may be the same as the previous year. Keep in mind that Greg Anselment will assist in selling your R/C materials on E-Bay. The club receives 10% of the sales price. Call or Email Greg for details. We should consider a couple of fun fly events at one of the camp flies. Meeting adjourned at 9:05 p.m.

Respectively submitted, **Lyman Stein, secretary.**
